National Receptionist Day!!

WEDNESDAY, MAY 13TH

Let's celebrate our two wonderful receptionists, **Mark, Alicia, and Salah!!!** They play a vital role in getting your pets seen promptly, keeping you and your pets comfortable, and supporting our team. We're so grateful for the care, organization, and warmth they bring each day!

IF YOU COME BY, BE SURE TO LET THEM KNOW THEY ROCK!

Seasonal Tip

TOPIC: WEED KILLER AND FERTILIZER

As we prepare our yards for BBQs and birthday parties, many of us grab weed killer to get rid of those pesky things. Be mindful of the products you use around your pets, as many of these contain toxins that can be fatal if your pet consumes or comes in contact with.

TOXIC

- GLYPHOSATE
- 2,4-D

SAFE

- VINAGAR SOLUTIONS
- BOILING WATER

Patient of the Month!

EVERYONE SAY HI TO FRANKLIN

Franklin is an 8 year old French Bulldog

We celebrated Franklin's 8th birthday here at CAC!

A NOTE FROM FRANKLIN'S MOM: Franklin has been the best "impulse buy" we've made! It took all of 10 minutes from seeing his sweet face on our screen to having him named and a deposit placed. When he's not glued to me, he's busy playing with his two naked Sphynx brothers. Franklin loves going bye-bye, for walks, to work, or trips to the coffee shop.
